

**Super Star Jennifer López confirmed to perform at Altos de Chavon,  
Dominican Republic. Easter Saturday, April 15 2017**

**Casa de Campo, La Romana.** - With her unmatched stage presence and her repertoire of hits, Casa de Campo prepares to receive Jennifer López in concert at the Altos de Chavon Amphitheater on Saturday, April 15th. The unforgettable night will bring forth a top-notch display of the most advanced audiovisual technology that will serve as the perfect complement to the artist's dancing and singing abilities.

The Bronx-born Super Star will give way to Altos de Chavon's 2017 concert season, after an impressive 2016 that brought major superstars to the stage, such as Marc Anthony, Carlos Vives, J Balvin, Ricky Martin, Zion y Lennox, Enrique Iglesias, and Gente de Zona, to name a few.

"For us, it is a great honor to receive for the first time in the Dominican Republic one of the world's biggest stars", stated Andres Pichardo Rosenberg, president of Casa de Campo Resort & Villas. "This event further confirms our vision and commitment to offering the best concerts at the country's most magical location, the Amphitheater at Altos de Chavon. The Resort will offer special vacation packages that include tickets to the concert ensuring an unforgettable visit".

The production of the event has been put in the hands of Dominican Entrepreneur, Gamal Hache, by the artist's manager, Benny Medina of The Medina Co.

J-Lo is fresh off the heels of a record-breaking 2016 that included her Vegas Residency at Planet Hollywood Resort & Casino, "All I Have". [Billboard.com](http://Billboard.com) reports that it broke sales records back in August of 2016 after surpassing 1 million tickets sold; making it the most profitable in its category for Sin City.

The artist, recognized for her unparalleled energy on stage and an endless set-list of hit records, is a staple in Latin music and for Latinos in general, with her fusion of funk, hip hop and pop.

The concert at Altos de Chavon coincides with the promotion of her forthcoming Spanish album, which the artist is currently recording with multi-award winning star, Marc Anthony as Executive Producer.

This would be J-Lo's first all-Spanish album in one decade, after exactly 10 years of releasing "Como ama una dama" (How a lady loves", also produced by Marc Anthony). Magnus Inc., founded by Marc, will act as the consulting firm for Lopez's marketing, developing, and touring in the Hispanic market.

Gamal Haché has confirmed that Jennifer Lopez's concert will begin at 8:30 PM on the night of April 15th. Tickets will be on sale at the Casa de Campos Box Office and at Uepa Tickets locations. More ticket sales locations will be announced soon.
